RE: NEXT WEEKEND - THE GREATER TOLEDO TRAIN & TOY SHOW

TOOT! TOOT! ALL ABOARD! While we were heartbroken the 2021 show was postponed due to the global pandemic; we're excited to welcome back all our friends for the one and only *Original Toledo Toy Show* and one of the best shows around: **"THE GREATER TOLEDO TRAIN & TOY SHOW"**

Grown-ups and kids alike will be thrilled to have a Family Fun Day for All with our show bigger and better than ever! Taking place on **Sunday, March 13th, 2022 at the Owens Community College Student Health and Activities Center (SHAC) 30335 Oregon Rd. Perrysburg, OH.**

This first-class show features over **250 dealers bringing toy and model trains** of all gauges and manufacturers as well as toys from all eras: plastic, tin, die-cast, pop culture and so much more! In addition to repair advice and appraisals, there's a wide selection of distinctive toys and trains at this show just waiting to be added to your own collection! Parents and grandparents will surely relive memories from long ago when they see many wonderful toys and operating displays from their own childhood. Bring along the kids and an extra special time awaits you showing the youngsters old-time toys in operation they would otherwise never see today. **This is a must see event you will not want to miss!**

Many famous layouts and exhibits will be operating all day long, including:

- **Two must-see-to-believe operating Lego layouts presented by the Michigan Lego Users Group and the Swanton Model Railroad Club.** Both feature an operating Lego City with trains made entirely out of Lego bricks. All sorts of Legos and mini figs will be available from a variety of sellers.
- **An entire wall of vintage, rare, and operating A.C. Gilbert Erector Set display area** featuring toys from the 1920's presented by members of the AC Gilbert Heritage Society. This year we have two new operating displays you will not want to miss, including an incredible "Celebrating Toys of the Past" exhibit.
- The Toledo tradition lives on with Toledo Toymaster's wonderful **Tiedtke's Department Store American Flyer antique operating post war "S" gauge train display!** This layout plus a **1950's Lionel O-Gauge Store Display** will be operating on a real and life-sized "Train Truck" presented by Toledo Toymasters.
- Train Operating Layouts in all gauges of toy trains from area groups; including the impressive scenic HO layout by the Hobo Crew, layouts from the Swanton Model RR Club and the Eastwood Jr. High School after school club.
- **TPS's Toledo Technology Academy award winning robotics team will be there with demonstrations** ; plus the Midwest R2D2 Builders Club will be on hand to share droid creations that are out of this world!
- Romick Railways outdoor riding train (\$3 ticket required and weather permitting) plus so much more!
